

Pick Up/Drop Off and Packing for Camp

Pick Up and Drop Off

- When arriving at GMPA for pick up and drop off, follow the signs and drive through to drop off/pick up your child. Only campers will be allowed in the building.
- A GMPA staff member will be outside the door to receive your child. One student will come in at a time. Parent should wait in the car while the temperature check happens. GMPA staff member will give the parent a thumbs up to send them on their way and invite the next student to come in.
- Ideally, the same parent or designated person should drop off and pick up the child every day. If possible, older people such as grandparents should not pick up their children, because they are more at risk for serious illness. Parents and designated persons who are self-quarantining due to close contact with a COVID-19 positive individual should NOT do drop-off or pick-up.

Packing for Camp
